

HIGH POINT UNIVERSITY
LAMBDA CHI ALPHA 
— HOMECOMING WEEKEND —

Welcome Home, Brothers!

Dear Alumni Brothers of Lambda Chi Alpha Iota-Phi Zeta,

It's that time of year again — **Homecoming!** A weekend to reconnect, reminisce, and celebrate the incredible brotherhood that continues to thrive across generations. This year's Homecoming promises to be one of the most exciting yet, as we come together to honor our past and celebrate our bright future.

We're thrilled to share that **Lambda Chi Alpha has returned to campus as an Associate Chapter**, and our legacy is alive and well! With **28 enthusiastic Associate Members**, the spirit of Iota-Phi Zeta is stronger than ever. These young men are eager to carry forward the values and traditions that have defined our brotherhood for decades — and they're looking forward to meeting the alumni who paved the way.

As you prepare for the weekend, be sure to **review the full Homecoming agenda below** and **RSVP** using the links at iotaphizeta.com/homecoming. Your participation helps us plan for meals, seating, and special events — and ensures that every brother has the best experience possible.

We can't wait to welcome you back to campus, share stories from the past, and witness the next generation of Lambda Chi leaders in action. Let's make this Homecoming one to remember — filled with laughter, memories, and the unbreakable bonds of brotherhood.

In ZAX,

The Iota-Phi Zeta Alumni Association
